 Shine in splendor down on thee.
 With love, we bow our heads in honor,
 Faithfulness and loyalty.

 Glory to the Spartan Heroes!
 Glory to the green and gold!

Each person is an individual. He is ever present. He works with fellow students in the classroom, in club activities, and on athletic teams. As a member of the whole, the individual helps create a spirit and an enthusiasm which might never have come had it not been for him. His ideas are as vital to the group as their ideas are to him. The individual's thoughts and actions serve as able complements to the ideas and behavior of the crowd. **The individual and his friends are like snowflakes—each different, but without the others, nothing.** Yet, the individual is not bound by conformity to society's standards. He is a person who is not afraid to express his opinion and risk unpopularity. He stands by his judgment and moral code. He knows that in accomplishing everyday tasks he draws nearer to an appreciation of life's realities. He must choose the most challenging way before he reaps the high rewards of tomorrow. Aided by the concern and support of his friends and caught in the momentum of his own continual efforts, he can attain his highest purpose. He is a searching, vital being who looks to his friends for advice, to his teachers and counselors for guidance, and to his own self for the determination to reach the primary goal of his existence. **He is, in every phase of his life—aware.**

Jean,
 Is a cat girl in my biology

GRADUATES

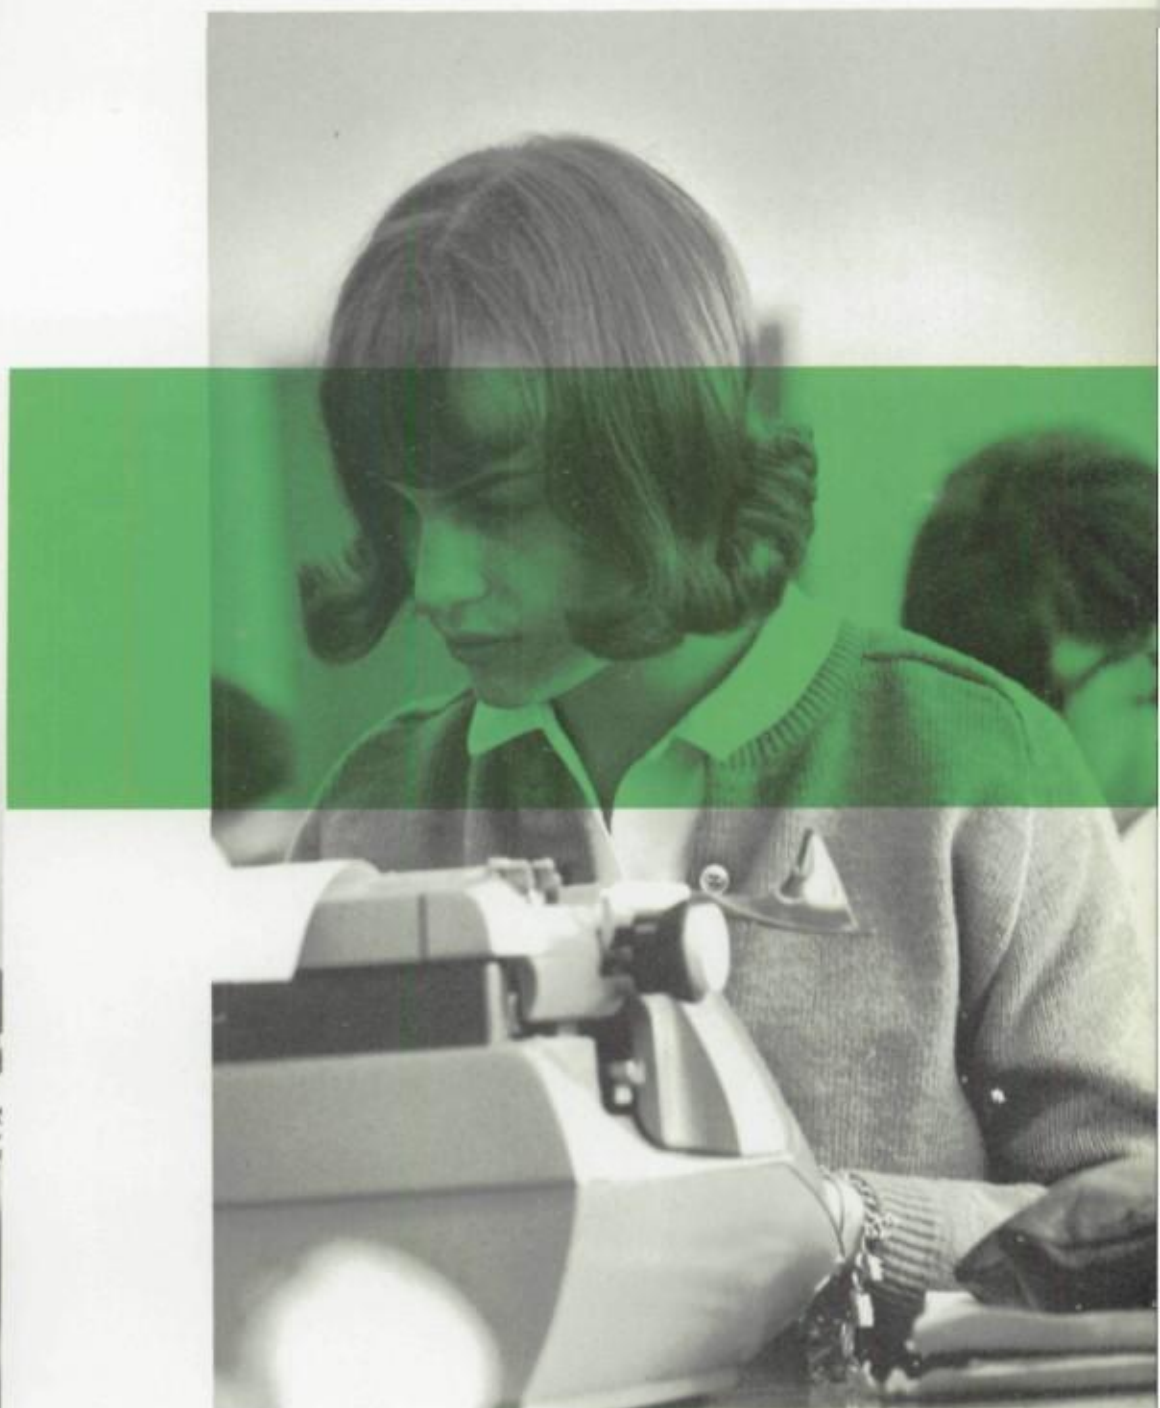

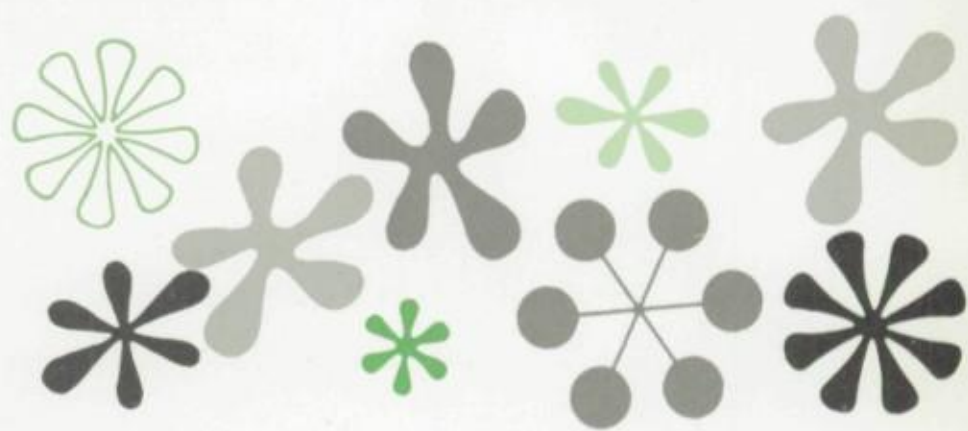

Jean, (Allison)
 You're a really sweet
 kid & I'm glad I've
 known you for so long. We've
 had many, many wonderful times together
 that I'll never forget. I couldn't begin
 to list the things that I like you for.
 After we got out of school we'll still
 have to keep in touch with each other
 and go places before we can do this stuff.
 I just graduated first to ya & maybe there
 hope of being in classes together all
 We've been high school & it's been
 through. I'll have to come over
 to see you more often. It
 is a good luck with whom
 of who. now. I've lost track
 of who. now. See ya around
 Wendy

SENIORS, THE GREAT INDIVIDUALISTS

Four years are a small part of a lifetime, yet, the memories are everlasting. The '66 graduate will always remember classrooms, frustrations, exams, lunchtimes, carwashes, athletic competitions, homecomings, queens, and proms. These and other memories will go with him everywhere—they have become a part of his life. He is reluctant to let go of his high school days, but he sees before him the challenge of tomorrow. His future may hold many things—college, a job or career, a life of his own. After graduation he will be seeking achievement of his highest goal. When it has been reached, he will have time, again, to look back upon four special years, memories, and Start.

Dear,
 It's been
 fun knowing
 you in typing.
 Have fun this summer
 and I hope to see you
 next year.
 Love
 Sandy and
 Warner Mike

Mr. Frank Dick—Superintendent

CREED FOR YOUNG AMERICANS

I do not choose to be a common man. It is my right to be uncommon. I seek opportunity to develop whatever talents God gave me. I do not wish to be a kept citizen, humbled and dulled by having the state look after me. I want to take the calculated risk; to dream and to build, to fail and to succeed. I prefer the challenge of life to the guaranteed existence; the thrill of fulfillment to the stale calm of Utopia. I will never cower before any earthly master nor bend to any threat. It is my heritage to stand erect, proud and unafraid: to think and act for myself, enjoy the benefit of my creations and to face the world boldly and say, "This, with God's help, I have done." All this is what it means to be an American.

EDUCATORS— TEACHERS, ADULTS, FRIENDS

The administrative staff works closely with the faculty to promote scholastic achievement and school spirit among the student body. They always have time to discuss problems of the school or of the individual student. The administrations' varied backgrounds provide a basis for the understanding of all situations. It enables them to talk to and work with each student to help him solve his academic problems. The counselors not only advise students on school work, but they also help seniors choose their college or career. The faculty participate in school events and activities. They are concerned with student loyalty, spirit, and development. Among their main responsibilities are passing on their knowledge to students, helping to build better character in students through their example, and helping students to learn self-discipline.

Mr. Lewis Cross assumes the position of Assistant principal of Administration and Activities.

All right, you guys.

STUDENT COUNCIL

Since its organization in 1962, the Student Council of Start High School has held as its main objectives: to make students a part of a working democracy; to promote the best student-faculty relationships; to promote better school spirit; and to further unification of the student body. The annual events sponsored by Student Council, elections and the Freshman Mixer, were only part of the group's activities. Highlighting the year were "An Evening with Dave Browning," the Homecoming dance, "Autumn on the Wind," and the Valentine dance, "Cupid's Capers." Student Council sponsors the elections for the Valentine dance, elections for Homecoming and it is responsible for choosing a girl to represent Start at the Area Student Council dance. In February, Student Council held a book fair. It also participated in the March of Dimes drive and the Easter Lily drive. Mr. Conley is advisor.

THE SHIELD

Copy, layouts, receipts, deadlines, keeping the color of the book a secret—all part of a successful yearbook. The **Shield** staff has worked since the spring of 1965 to produce a yearbook which Start will remember. Members of the business staff were responsible for the sale and distribution of yearbooks and for the sale of underclass pictures. The editorial staff took pictures of school events and worked to combine all the information into one finished publication. With their advisor, Mr. Richard St. John, members worked to meet deadlines and strived to keep their sanity. After the final deadline had been met, junior staff members began to plan next year's yearbook.

THE GALAXY

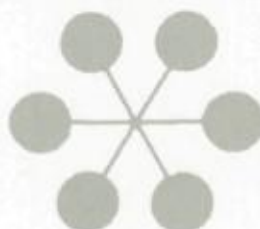

The **Galaxy** has provided the Start student body with as complete coverage of school news as possible since its formation in September, 1962. Under the direction of Mrs. Barbara Willinger, the **Galaxy** staff published a paper to be distributed bi-weekly. They gathered information in various ways, one of which was the green "In Orbit" boxes where students deposited interesting bits of news. The **Galaxy** has the dual purpose of producing a quality student publication and of affording a learning experience for the students on the staff. The staff consists of fourteen seniors and nine juniors. The "Letters to the Editor" column gave Start students a chance to voice their opinions, and the editorials gave the newspaper staff an opportunity to express their ideas.

NATIONAL HONOR SOCIETY

Scholarship, leadership, character, and service are personified in each member of the National Honor Society. This honorary organization strives to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in the students of Start. Membership in N.H.S. is highly selective; only fifteen per cent of the senior class is accepted for membership. The money-making project of the year was the annual quiz bowl with Bowsher. At Christmas time, members ushered for the performance of "The Messiah" in the Peristyle of the Toledo Art Museum. In an effort to raise the scholarship standards at Start, members have served as tutors in the library after school to help students who need aid in understanding their studies. Highlights of the year's activities were the spring induction of juniors and the evening induction ceremony in the fall. Mrs. Susan Granata and Miss Jean Gilbert are the advisors.

QUILL AND SCROLL

Quill and Scroll is an honorary organization with selective membership, formal fall and spring initiations, and projects pertaining to yearbook or newspaper journalism. The Society is international in scope with headquarters at the State University of Iowa. This year's fall and spring inductions added senior and junior members to the roster. A reception followed each of the ceremonies held in the Little Theater. New members received Quill and Scroll membership cards and pins. The annual project of Quill and Scroll, *Dimensions*, was published and sold in May. Students enter creative writings in the contest which are judged by professors from the University of Toledo. Winning entries are then published in the magazine.

FORUM LITERARY SOCIETY

Car washes in the rain, costumes for Halloween, bringing in the New Year, drowning the advisor, Zervos and the cops—all highlights of the year for the Forum. Maintaining an active social calendar combined with service projects for the school and literary projects of viewing local theatrical productions meant another meaningful year. Victorious over the Peris in the powder-puff football game, the members learned new methods of playing basketball in a return bout. Under their advisor, Mr. Richard St. John, the club maintained its scholastic standards while providing diverse and entertaining activities.

PERICLEAN LITERARY SOCIETY

The Periclean Literary Society strives to develop leadership and individual talents among its members and to increase literary interests. Throughout the year, "Friendship through Knowledge" has been the plan for bettering the relationship of the club members. Peris attended a play at Toledo University and carried out various other projects at their meetings. They made spirit tags for the Woodward football and Bowsher basketball games, and decorated the basketball players' lockers with cartoon characters before the Bowsher game. At Christmas, Peris decorated a window in the cafeteria with a wreath and holiday greetings. They also welcomed former members with an alumnae tea during Christmas vacation. The girls proved their athletic prowess in powder-puff football and basketball games against their brother club, the Forum Literary Society. A highlight of the social events of the year was their Treasure Hunt Turnabout. The hunt sent Peris and their dates trekking over West Toledo solving clues to the location of the party afterwards.

Peris engage in a powder-puff football game with the Forum.

QUILL AND DAGGER LITERARY SOCIETY

The Christmas decorations in the courtyard were furnished by the members of the Quill and Dagger Literary Society. The club is designed to develop a spirit of close friendship among its members, to create opportunities for social development through club activities, to further the literary interest of its members, and to foster appreciation for Start High School, its students, and its faculty. Car washes were the club's main money-making projects. A book drive was held to benefit the Start Library. Q.D.'s fully supported "An Evening with Dave Browning." For initiation into the club, new members are required to perform various duties to help the school.

ZETALETHEAN LITERARY SOCIETY

Promoting literary interest among its members, and presenting a varied calendar of activities, the Zetalethean Literary Society was ranked among Start's more active clubs. Under the leadership of advisors, Mrs. Martha Holland and Mrs. Jacqueline Krupp, the members sold mums for Homecoming, made Halloween tray favors for the children's ward at Toledo Hospital and held a candied apple sale for a money-making project. Members viewed Shakespeare's "Othello" and supported the Sejuna production "Outward Bound." Upholding the traditions started in 1903 when the club was first organized at the old Central High School, Zets maintained their literary interests by attending dramatic productions at the University of Toledo. Miss Lassetta Pickard presented President Connie Scherer with a pin which will by tradition pass to each president.

AMOROSA

The Amorosa Social Service Club was formed by twenty-three sophomore girls in May, 1965. The girls strive to help society by providing services to the school and to the community. To raise funds for charity, the girls held a bake sale in the autumn and various money-making projects later in the year. Proceeds were given in part to CARE. Spreading Christmas cheer among the less fortunate, members of Amorosa planned and presented a theatrical program at an orphanage during the holiday season. Another project was a program during Easter. All activities of the year were guided by Mrs. Maudette Schachner.

The club hopes to provide a forum for the propagation and discussion of the techniques and philosophy of fishing and to promote school spirit. The main project of the year was a basketball dribble to Bowsher which took three hours and received recognition in local news media. Members of the Fishing Club made a holiday wreath, and were supporters of pep rallies and athletic events.

DONATA

A primary concern of the Donata Service Club is the promotion and encouragement of student-community relationships. It was formed to help the school and the community by raising money for charity and sponsoring service projects. The members held a bake sale and a car wash in the spring as money-making projects. The girls also brought orphans to football and basketball games during the year. The faculty advisor is Mr. J. David Row.

F.B.L.A.

Outstanding chapter in the state was the title received by the Start Future Business Leaders of America Club at the 1966 Ohio F.B.L.A. Convention, held at the Commodore Perry Hotel. Start, co-host of the convention activities, captured six firsts in the ten award categories. Janet Wolff won the title of Miss F.B.L.A. and Mel Thomas placed second in the Mr. F.B.L.A. competition. The spelling award was won by Linda Stewart. Margaret Hollingdale and Gayle Stanley prepared the award-winning scrapbook and exhibit. Start's other first was in the parliamentary procedure competition. Delegates from forty-three Ohio F.B.L.A. chapters attended the weekend convention and competed for the honors. Other activities of the year have been planned to develop leadership and create more interest in business occupations. Members added to their treasury with the sale of rock candy. Mr. Lawrence Good is advisor to the club.

FUTURE HOMEMAKERS

With Miss Mildred Russell and Mrs. Susan Wilson, the members of the Future Homemakers of America attended a style show at a local department store. One of the members modeled a dress of her own creation. One project with the dual purpose of making money and promoting fellowship among members was the baking and selling of fruit cake at Christmas time. During the meetings, girls discussed fashions, good grooming, latest cooking techniques, and ways to better members' home lives. The main objective of this newly formed club is to enrich girls in the knowledge of homemaking.

Members of Future Nurses assisted their advisor, Mrs. Harrison, in the nurse's office during the school year. They received credit in the field of school service. As a club, the girls sponsored a speaker, Mrs. Ehrmin, from Riverside Hospital. Members, also, attended an area tea at the Academy of Medicine and are leaders in the Paramedical program in Toledo. Among the Future Nurses' special projects for the year was the giving of food baskets at Thanksgiving and Christmas. Also at Christmas the Future Nurses' caroled in various area hospitals. New members of the club were guests at a jitney dinner in November. In their spare time the girls were aids in a nursing home.

Seniors substitute for absent teachers until a replacement is found. Many of the members, accompanied by their advisors, Miss Lasetta Pickard and Miss Joanne Mittendorf, attended the Future Teachers Convention in Columbus and the Northwest Ohio Workshop at the University of Toledo.

GERMAN CLUB

In October, 1965, Das Deutsche Verein was formed under advisor Mr. Jevgenij Cernonok. During the November elections, the members distributed literature for the Hospital Bond issue. Another purpose of the club is to contribute to the fund for bringing foreign students to Start. During their trip across the country, A.F.S. students from all over the nation stayed in members' homes. This year, the club supported Start's exchange student, Brenda Perez of Quito, Ecuador. One of the club's projects to better the relationships between foreign and American students was a tea for all A.F.S. students and sponsors in Toledo and area high schools. In conjunction with Start's adult A.F.S. chapter, the International Club held a spaghetti dinner before the Bowsher basketball game. They also sponsored the showing of two movies, "Bon Voyage" and "Geisha Boy." Other money-making projects included a car wash and a candied apple sale. Mrs. Carmen Smith is the advisor.

JUNIOR CLASSICAL LEAGUE

The Junior Classical League endeavors to further the understanding of ancient Roman civilization and culture and to emphasize the effect of Roman heritage on today's world. In order to carry out this plan, the main activity of the year is the celebration of Latin Week in the spring. Each new member is sold in a slave sale to old members. The climax of the week is the Roman banquet in which the new members are formally inducted into the club. Individual members of the club were represented by projects in the annual Latin Spectaculum in the spring. The club is advised by Mrs. Cora Belle Dunham.

JUNIOR COUNCIL OF WORLD AFFAIRS

The Junior Council of World Affairs held a mock United Nations meeting so that members might gain insight into the workings of the world organization and the understanding of some of the problems which arise. Other projects included a panel discussion by foreign exchange students, and a tri-state conference to discuss current world affairs and the teenagers role in the promotion of peace. The club's activities included tours of Cranbrook Museum of Science, the Libbey-Owens-Ford Glass Company, and the W.S.P.D. T.V. Station. They also sponsored a "Science Evening" in which many local scientists presented new concepts in the ever-changing scientific world. Members participated in the Science Fair, with top awards going to Jay Yourist, Jerry McLouth, and Bill Dailey.

INSTRUMENTAL MUSIC

The Instrumental Music Department, under the direction of Mr. Bruce Jacobson, has performed at various school functions and activities. In late March, they served as the pit band for Shenanigans. During the basketball and football seasons, the band performed half-time shows. The two groups, band and orchestra, gave concerts throughout the year. The orchestra concert in December contained many seasonal numbers, such as the **Christmas Song**, **Christmas Fugue**, and **Sleigh Ride**. Other selections were the song from **Moulin Rouge** and the theme from **Lawrence of Arabia**. After the concert a square dance in which parents, students, and faculty participated was held in the gym. The band performed a winter concert in February. Selections from the concert were **The Great Race March**, **Begin the Beguine**, **Colonel Bogey March**, and highlights from **Milk and Honey**. A joint band and orchestra concert was presented in May. A highlight of the year was the annual spring ice cream social held by the two groups.

SPARTANETTES

Throughout the year, the Start High Spartanettes provided half-time entertainment at home football and basketball games. Long hours of practice at 7:45 A.M. prepared the girls for each performance. Under the direction of choreographer Bud Kerwin, the Spartanettes danced routines to "Sailor's Hornpipe" at the football games. Their basketball shows were set to the music of "Downtown" and "Yellow Bird." To raise money for costumes, Spartanettes sold key chains with Spartan emblems. The musical accompaniment for the dancers was provided by the marching band at the football games and the pep band at the basketball games, both under the direction of Mr. Bruce Jacobson. Mrs. Marie Kimble served with Mr. Jacobson as advisor to the group.

PEP CLUB

The main objective of the Pep Club is to promote school spirit among the members of the student body. Throughout the year, the girls worked to encourage good sportsmanship in all school activities. To show their support of the athletic teams, members painted signs and hung streamers in the halls before the games. At a pep assembly, the Pep Club presented a skit in which the girls dressed up as the Start and Bowsher basketball players. As a money-making project, the club sold Spartan pennants. Miss Jean Bellingham is the advisor of the club.

Victory! Victory! is our cry! Spartan cheerleaders again in action as they provided staunch support for Start's athletic teams. Channeling the spirit of the student body, the girls, through their efforts, help set school standards of sportsmanship and enthusiasm in all athletic competitions. The girls practice after school twice a week developing new cheers and perfecting the old ones. This summer the varsity squad spent a week at a cheerleading camp where they learned new yells and perfected techniques. At pep assemblies they taught the new cheers to the student body, and entertained with original pom-pom routines.

BASEBALLERS CAPTURE CITY LEAGUE CHAMPIONSHIP

Under the coaching of Mr. Ned Heidtman, the 1965 Spartan Baseball Team captured Start's first City League Championship and went on to win the Northwest Ohio Sectional Tournament Championship. Undefeated in city play, the Spartans' record was marred only by a 4-3 loss to Fremont Ross in the District Tournament. The team was lead by the fine ball playing of All-City choices Bob Bellair, Rick Dunlap, and Mike Smith, but the decisive factor of the winning season was the team's determination to bring home Start's first trophy.

The most valuable player award went to hard throwing

pitcher, Rick Dunlap. His 9-1 record gave him his 1st All-City position and a berth on the All-Star State Team. Bob Bellair, Start's homerun hitting first baseman, showed his All-City form with a 400 ft. homerun in the District Tournament. Mike Smith, named for a second year to the All-City team, led the Spartans with a .614 batting average.

Eleven seniors will not be returning for the 1966 season, but Coach Heidtman expects fine performances from pitchers Jim Wyatt and Bill Douthett, catcher Bob Naugle, and the other members of the defending city championship team.

SPARTANS TIE TO FIFTH PLACE FINISH IN CITY

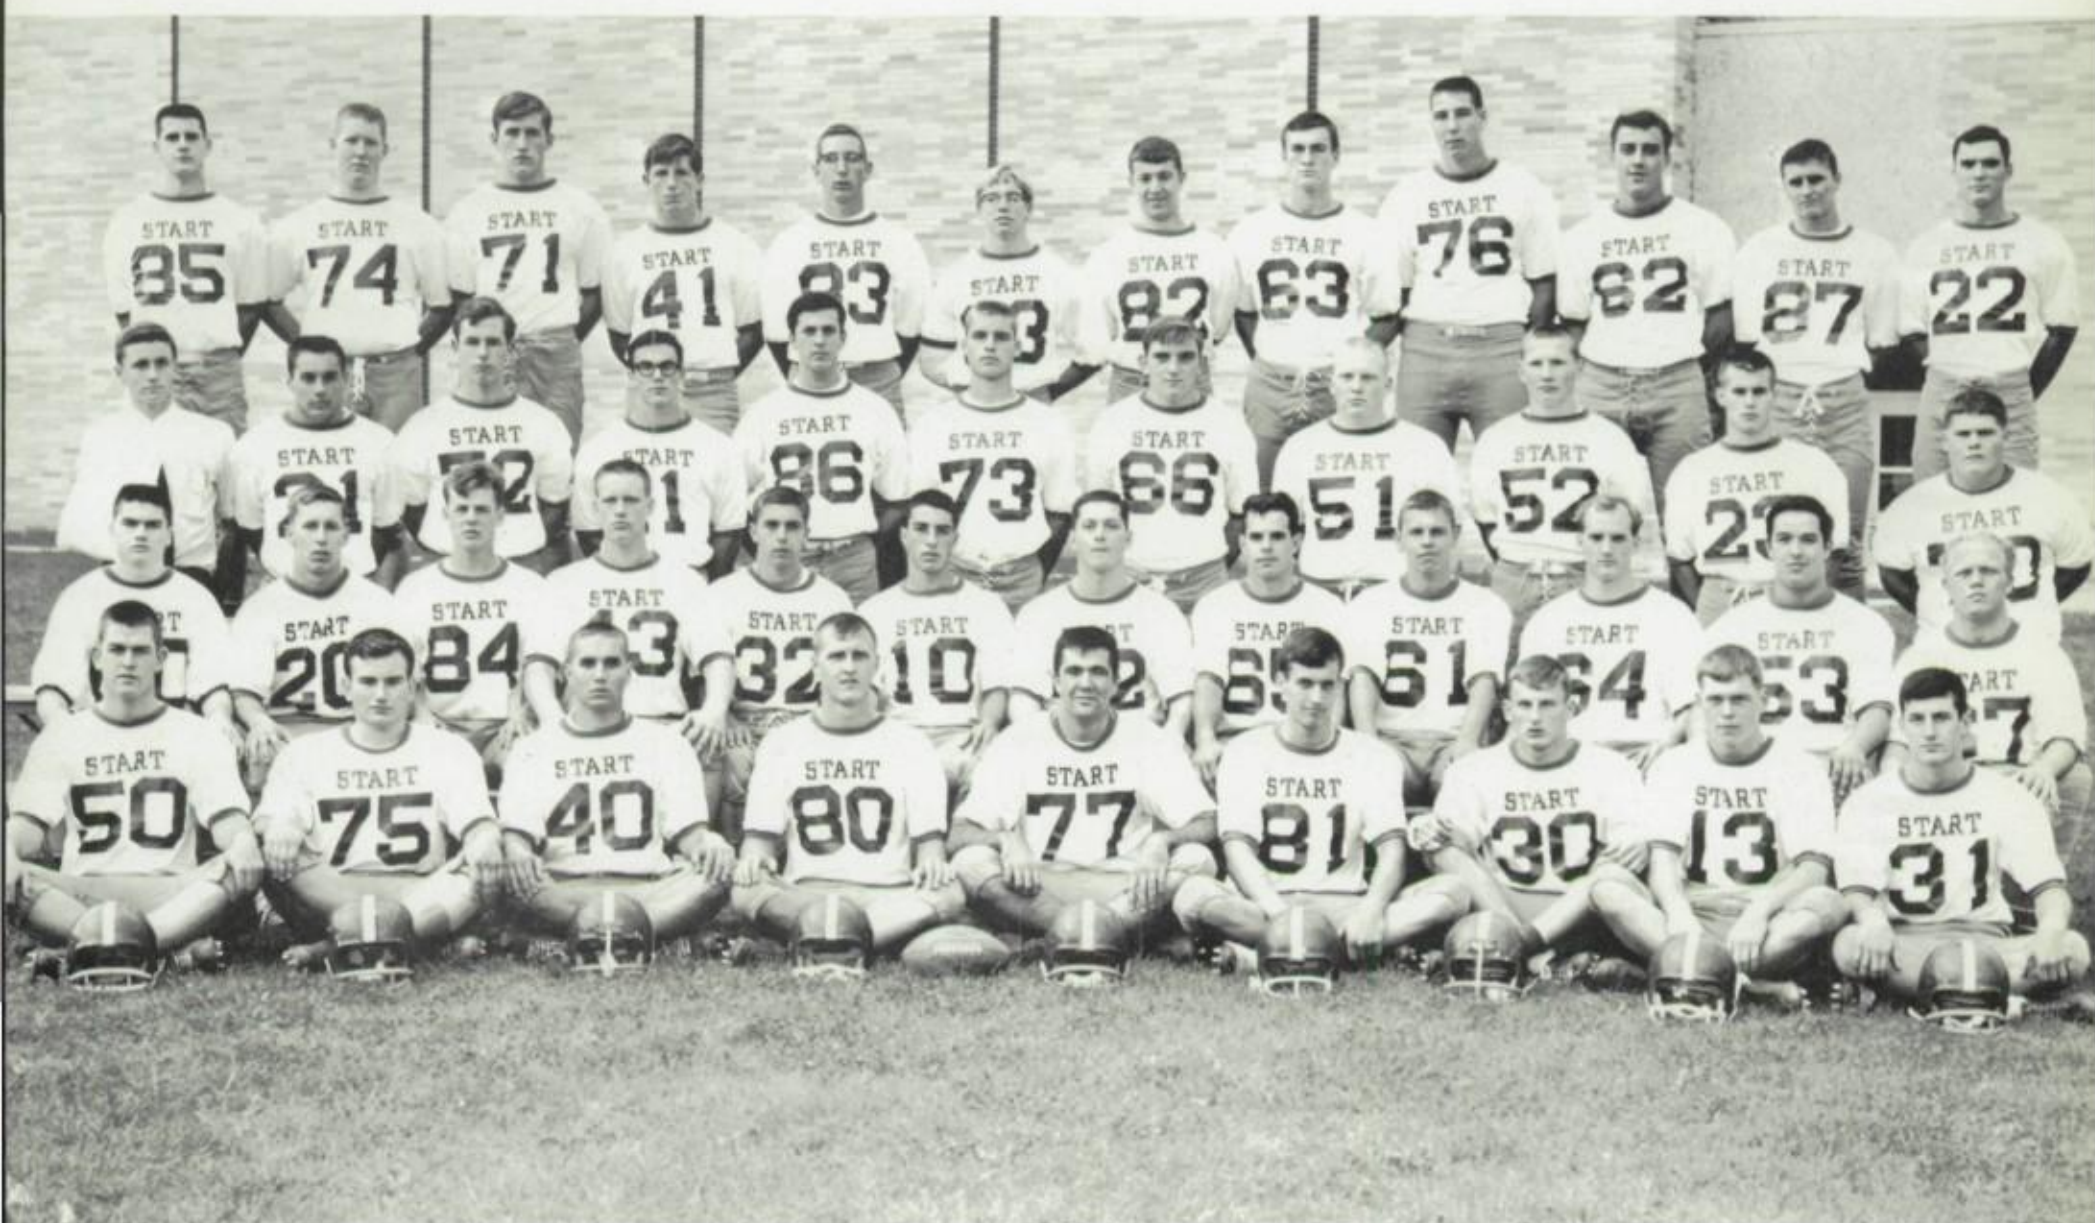

This year's Spartan football team, led by coach Sam Epstein, finished with a record good enough to give Start a fifth place position in the city league. Watching the Spartan defense was found to be the most exciting aspect of the 1965 football season. The Spartans held their opposition to an average of 6.6 pts. per game, which was tops in the city.

The season's highlights were found in Start's victories over Libbey, Woodward, and Rogers. The Spartans also chalked up three ties in games with Bowsher, Central, and Waite. Ty White, Chuck Shapiro, Mel DeMars, Fred Marshall, Tom Fleitz, Bill Baker, John Heinrich, and Steve Edwards were named Players of the Week.

Spartans Steve Edwards and Ty White landed first team berths on the all-city squad. Edwards earned the offensive center position and White, an offensive tackle position. Fred Marshall, Bill Baker, and John Heinrich earned positions on the second and third all-city football teams. Mel DeMars won the team's Scholastic Award and Bill Baker won the team's Coach's Award. Ty White was selected Most Valuable Player of the season. The 1966 season looks promising because of the number of returning juniors and sophomores.

THROUGHOUT SEASON

The injury laden Spartan basketball team, under Coach Mr. Jerry Bushong, compiled a 6-13 record for the season, the best record yet for the ever improving Start roundballers. With victories over Ottawa Hills, DeVilbiss, Cardinal Stritch, Central, Whitmer and Bowsher, the team finished in seventh place in city competition. Scoring assists from Al Peake, Mike Littin and Jim Wyatt aided in the victories. Peake led the city in scoring with an 18.8 average until he was sidelined midway in the season. Spartan victories over the Fighting Irish of Central Catholic and the Bowsher Rebels highlighted the season. The Spartan five were eliminated in the first round of the sectional tournament at Whitmer. Though losing eight seniors, Coach Bushong is looking forward to an improved '67 season in his second year as head coach.

CHEER SPARTAN TEAMS ON TO VICTORY

The Spartanettes participated in the march to the game.

The players enter, homecoming excitement begins.

THE PARADE, A QUEEN, THE GAME, AND A DANCE,

Queens in convertibles, decorated cars, and a marching band—all part of the Homecoming parade. Spartan enthusiasm showed through a cloudy day as alumni, students, and faculty cheered the players as they battled the Waite Indians to a 6-6 tie at Page Stadium. Highlighting the day's festivities was the presentation of the queen and her court and the crowning of Kathy Miller, 1965 Homecoming queen, by Lana Peterson, last year's queen. Then night and the last celebration, "Autumn on the Wind." An appropriate ending for a wonderful day.

The queen and court reigned over the festivities.

"AUTUMN ON THE WIND"—HOMECOMING 1965

"Autumn on the Wind" was the theme of the annual homecoming dance.

ALONE OR IN A GROUP,

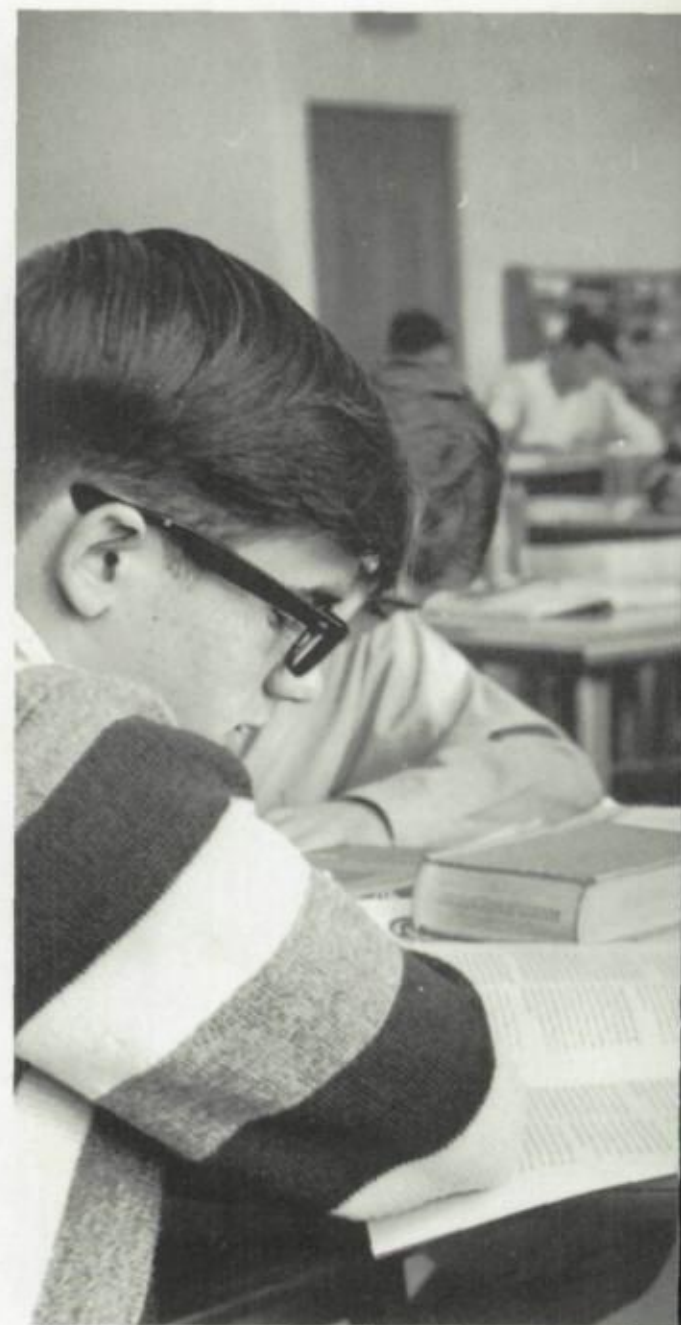

INDIVIDUALS LEARN TO BE THEMSELVES

Another year ends, and yet it is only the beginning. For some it means college or the beginning of careers. Others still have time to mature and to enjoy the remaining years of high school as individuals in search of themselves and their own identities. Whatever the future, however, we will remember the 1966 school year. The little things—notes, secret meanings, private laughs; the big things—exams, and that huge assignment that looked so small when it was finally finished, and we'll remember friendships, activities, and the comic or tragic situations in which we found ourselves. Soon, though, the security of high school days fades and responsibility intrudes on our individual character and we must temper our independence with the dignity and ability needed in the ever-widening world. Conformity is the accepted thing, but it is the individual who benefits from having characteristics which are his own. *We have learned a little bit more about I.* This has been a *year of growing, seeking, and learning.*

THE SHIELD STAFF THANKS YOU ALL

OUR HUMBLE STAFF

The end of a book, the end of a year, the end of a rich and rewarding experience.

A yearbook is a history book and it has been our responsibility and privilege to record the events of history at Start in 1966.

We the SHIELD staff will remember much. Group singing, "Purr-dy" milk, the Christmas party, back-rubs, the orangutang, re-enacting "The Sound of Music", ed-it-or, what's the password?, the broken typewriter, birthdays, lost pictures, late deadlines, after-school sessions, days of work, hours of fun, and that final moment of pride—SHIELD 1966.

I would like to say "thank you" to our administration and faculty for their cooperation, to the student body for their support, to Mr. St. John whose ideas may be different but are so much a part of this book, and lastly "thanks" to my staff who gave so unselfishly of their time and talents to publish this book.

And so it is with much sadness that I end my job and leave the office which has been my home for the last four years and say "good-bye".

Sandy
